

This is a catalog of our congregation's library materials. This list is correct to the best of our knowledge. All of our books are shelved in alphabetical order according to the author's last name. If a book has many authors (i.e., New Illustrated Bible Dictionary from Thomas Nelson Publishers) or is from a particular event (i.e., Freed Hardeman Lectureship), it has been sorted alphabetically according to the publisher or that particular event. There are also labels on the shelves to assist you in locating a particular book.

The author or publisher has been listed in bold print, while the title of the book is listed normally (i.e., Anderson, Lynn: Finding the Heart to Go On).
